

Sameer More

Web Developer, RPA Developer

Experienced in both web development and Robotic Process Automation (RPA), I specialize in result-driven problem-solving to create impactful web applications and automation solutions. My focus is on increasing effectiveness, cutting costs, and enhancing user and organizational experiences.

Work Experience

Web Developer, Encube Ethicals, Nov 2022 - Sept 2023

- Designed and developed various web applications including:
 - SAP - Master Data Management application
 - Project Management tool
 - Ticketing system
- Saved a total of 20% of time** for each employee using the respective applications, contributing to enhanced productivity and efficiency.
- Single-handedly developed these applications in-house, eliminating the need to purchase expensive off-the-shelf solutions and **saving substantial costs for the organization.**

RPA Developer, Encube Ethicals, Nov 2022 - Sept 2023

- Worked as an RPA Developer, specializing in UiPath automation. Developed 6 automation use cases covering various platforms such as Excel, Web, SAP HANA, and SAP B1.
- Successfully implemented automations that **replaced the equivalent workload of 8 full-time employees.**
- Achieved significant **cost savings of over 40+ lakhs Rs/year** for the organization through automation implementation.

Web Developer Intern, Encube Ethicals, Jul 2022 - Nov 2022

- designed and developed the SAP Master Data Management tool. Implemented features aimed at streamlining code creation processes and reducing manual efforts for employees.
- Acquired foundational knowledge in data visualization with Tableau, data processing with Alteryx, automation with UiPath, and data analysis with Excel.

Educational Background

Bachelor of Science in Information Technology: M. L. Dahanukar College, Mumbai University, 2022

- Graduated with a high academic achievement, earning a **CGPA of 9.2 out of 10**, and **ranked 5th** among peers, showcasing excellence in academic performance and dedication to the field of Information Technology.

Higher Secondary Certificate: Sathaye College, Mumbai University, 2019

- Completed secondary education in the **science** field, achieving solid academic performance with a score of **64%**.

Secondary School Certificate: Parle Tilak Vidyalaya, 2017

- Successfully completed secondary education with outstanding academic performance, securing an impressive score of **85%**.
